

# In Your Light

©2004 by Mark W. Tindle

Lord, I seek You in the morning  
Before the night is gone,  
To bless Your name; Your praises sing.  
I will awaken the dawn;  
Sing Your praises all day long!

Early I will seek You;  
Every day I will pray.  
In the night I will rest in You;  
In Your light I'll stay.  
Keep me in Your light I pray.

Lord, direct my steps throughout this day;  
Help me stray not left or right.  
Remind me of the price You paid  
To bring me to Your light;  
Keep me in Your marvelous light!

Lord, keep me in Your perfect peace;  
Help my mind stay filled with You;  
May I trust You, Lord and never cease  
To sing all praises due;  
I declare all praise to You!
