Chorus:

The Lord is my light and my salvation
Whom shall I fear?
The Lord is the strength of my life
Of whom shall I be afraid?

Though the wicked come up against me
And press in all around;
Though wars may rise up against me
This confidence I have found!

Chorus

Lord, deliver me from my enemies
Who with violence and lies would destroy;
I would have lost heart had I not believed
That I would see the goodness of the Lord!
